"South Australia is renowned for its amazing wines and we are proud to present a list that showcases what we have on offer in our fair state. All wines featured on the Republic list are handpicked from South Australian regions."

COCKTAILS

Cucumber Margarita **\$15**
Silver tequila, fresh lime juice and cucumber are just the refreshing mix you're looking for to beat the heat during these warmer months!

Coconut Margarita **\$16**
Maybe coconut is more your thing? Coconut tequila and lime are the stars here. Isn't there a song about lime and coconuts...?

Republic Mai Tai **\$15**
Ah yes, rum and juice, the classic Mai Tai. Featuring in such places as Hawaiian bars, international flights and now, Republic Norwood!

Grapefruit Negroni **\$17**
A Negroni for those with a little more of a sweet tooth. Grapefruit and elderflower are added to this classic for a more refreshing twist.

The Norwood Affair **\$17**
Gin, blood orange and rosemary have a little harmless fun together in this light and refreshing spritzer style cocktail.

Thyme For One More **\$18**
Is it really time to go home or have you got time for one more drink? This one features Gin, plum, thyme and prosecco. Do yourself a favour and stay a little longer.

Fire In The Hills **\$17**
Build your own and add as much or as little apple to cinnamon with Fireball cinnamon whisky and Hills apple cider.

Jamaican Sunrise **\$15**
Inspired by the classic vodka sunrise but with rum and tropical fruit flavours to help you pretend you're on holiday.

Trouble In Paradise **\$17**
This is one way to get yourself out of trouble. Sweeten her up some with honey and rum and if that doesn't work, well then there's nothing we can do for you.

Blazing Passion **\$17**
C'mon baby light my fire! Vodka, Drambuie, a touch of peach and a flaming passionfruit to keep that flame alive!

Wonderland Remedy **\$16**
Campari is often known for being as bitter as your ex, but that's not the case here. We've mixed it with gin and elderflower liqueur and now it's as sweet as the girl next door.

Blue Hawaiian **\$15**
What do the Cookie Monster, Squirtle, Sonic the Hedgehog, Mr Meeseeks, IKEA, the ocean and this drink all have in common? Well it's not that they all taste like pineapple and coconut so that should give you the answer.

"South Australia is renowned for its amazing wines and we are proud to present a list that showcases what we have on offer in our fair state. All wines featured on the Republic list are handpicked from South Australian regions."

SHARE JUGS

Pimms Punch **\$29**

Pimms No. 1 and Hendricks hooked up this summer and turned out this delightful little number mixed with fresh fruits and cucumber!

Strawberry Fresca **\$29**

Our most popular cocktail jug. Vodka, apple, strawberries, and mint are the real heroes here. Topped with lemonade this is definitely one to cater for those with a sweet tooth.

Gintopia **\$29**

If the name doesn't say it all then I don't know what does. This jug is a mixture of dry and sloe gins, the ideal balance of sweet and sour as lemon and sugar dance around in perfect harmony.

Hawaiian Punch **\$29**

Just imagine you're on a tropical island. Warm sunshine on your face, clear blue skies above, crystal clear water ahead. Like the stereotypical tourist you are, you purchase a rum filled pineapple to drink from, knowing it will make for all the best Instagram selfies. This is what would be in that pineapple.

Pink Sangria **\$29**

A flirty little version of sangria. We use a local rosé mixed with vanilla vodka and elderflower liqueur to make a fun light-hearted jug perfect for sharing.

Why Is The Rum Always Gone? **\$29**

The famous words of a famous pirate. There are three types of rum here mixed with island bitters and a combination of fruits and ginger. A hardy drop sure to please even the thirstiest of pirates.

Summer Lovin' **\$29**

Dry gin and black raspberry liqueur are mixed together with citrus, plum and lemonade to create a refreshing and fruity jug perfect for those hot summer days and warm summer nights.
